PARENT'S DAY OUT POLICY

The Good Shepherd Parent's Day Out program admits children of any race, color, national and ethnic origin to all rights, privileges, programs and activities generally accorded or made available to children at the church.

It does not discriminate on the basis of race, color, creed, national ethnic origin in administration of its educational policies, scholarship and loan programs and other Parent's Day Out administered programs.

Good Shepherd PARENT'S DAY OUT PROGRAM

*Every child searches for Love.
Loving them opens the way to
teaching them...*

Our Philosophy

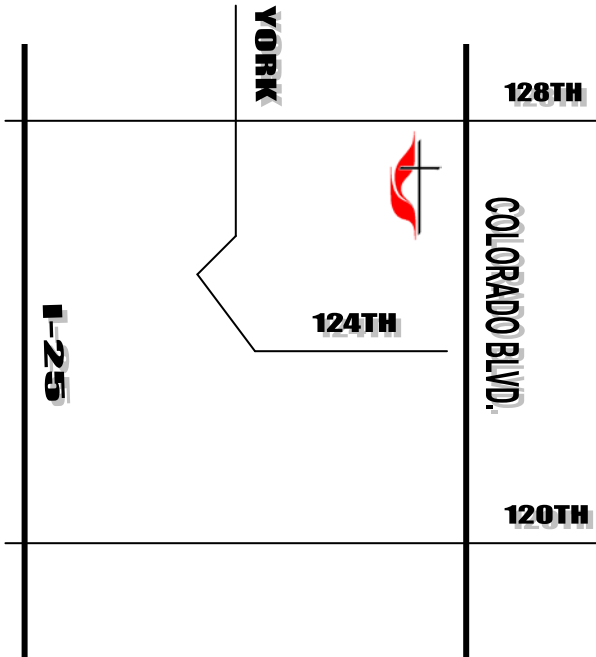

Our philosophy is to give your child a warm, safe and nurturing atmosphere in which to explore and to learn. We believe that children are by nature curious and learn best by doing in a hands-on manner. Our Parent's Day Out program creates an environment in which children participate actively and learn by doing.

PARENT'S DAY OUT GUIDELINES

The children will be consistently praised for use of appropriate behavior. The following guidelines will be modeled and reinforced.

1. We play safely.
2. We keep our hands and feet to ourselves
3. We are respectful.

PROCEDURE FOR DISCIPLINE

For those children who have difficulty with the appropriate guidelines, they will be spoken to privately. If inappropriate behavior continues, the student will be redirected to a different activity. We feel it is important to discipline children in a way that is positive and patient. The use of physical punishment is Never Permitted.

WINTER WEATHER

When the weather is cold, wet, or snowy, we stay indoors and play indoor games. Some of our indoor games include bowling, (soft fuzzy bowling balls), musical chairs, marching, Simon Says, freeze dance, and many more.
