

TLC Preschool

3+ year olds

May 2010

May Flowers

Things to remember in May

- Weather in the Spring can change quickly, and weather forecasters can make mistakes ☺! Please send a jacket with your child EVERY DAY, just in case. Please put sunscreen on your child before school as we will be outside more in May.
- Thank you for contributing to our food drive. It makes us smile to deliver boxes and boxes of food for the children in our community.
- If you are registered for our Pre-K classes in the fall, you will hear from your child's teacher late August. Orientation is September 1 and Pre-K classes start September 8.

Summer FUN!

Our Summer Fun program begins June 2 and will be every Wednesday 9-11:30am. The last day will be August 4. It is open to 3-6 year old children who are current or past students of TLC. Cost is \$14 per day. Watch for more details. It is so much fun!

Tuition

As our school year is ending, we want to thank you for making your tuition payment by May 15.

Tuition is due on the first day of school each month. Tuition per month is **\$105 for 3 year olds** and \$150 for Pre-K. If tuition payment is not made by the 16th of the month, a \$5 late fee will be assessed. Please give your payment to your child's teacher.

What are we doing?

Insects, Animals, Summer

- Make animals, insects and flowers while working on our fine motor skills.
- Make a special Mothers Day surprise!
- Playing outside (weather permitting) painting with water, playing games with our special parachute and riding our preschool big wheels (working on those gross motor skills ☺)
- Continue to work on letter recognition, identifying phonic sounds and writing our names.
- Talking about ways to stay safe this summer!
