## Welcome to TLC Preschool

TLC Preschool is licensed by the state of Colorado and all of our Teachers are Group Leader certified. TLC Preschool is a 501C(3) non-profit organization and has been in business for over 20 years. The Teachers are also certified in first aid, CPR and universal precautions.

TLC Preschool provides a safe, loving environment where children grow socially, physically and intellectually. Our philosophy can be summed up by saying we PLAY TO LEARN. What you will see is your children engaged daily in play time, crafts, books, songs, games, experiments and other activities that encourage them to make friends, explore the world around them, think for themselves, problem solve, and understand the relationships that numbers and letters have with their everyday life.

Our goal is to give your child the foundation of knowledge, social skills, and confidence that they need to move on and be successful in kindergarten while still having fun. After all, they are preschoolers!
