# CREATION: ALL THAT IS

Let's talk about Creation and all there is. Genesis 1. Genesis 2. Why are there 2 creation stories? What is God up to? Is creation still happening? What does that look like? What is our relationship/ responsibility to creation as a child of God? Visio Divina. Creativity in our human nature - art, music, poetry, ingenuity and invention, and science and math. Beauty and bounty in nature, animals, the elements, and the galaxy. Living in a space of awe-ness.
